Return/Exchange Instructions
1. Please detach and complete the return form below. Please complete both sections of the return form and enclose it with your return. Please let us know why you are returning an item so we can speed your refund or exchange and serve you better in the future.
2. Save the top part of this pack-slip for your records.

3. Repack your item(s) in the original packing materials and box. (Please do not attach the return slip to the item)
4. For your convenience use the return label included on the reverse side. Be sure to cover the original shipping address. If the label is not available use the following address:

IMPORTANT: Some items consist of several parts or pieces. Always return the entire item or set for replacement or refund.
